Waste separation

<Collectable Waste>

| Type of waste | Examples of waste | Note |
|--|---|---|
| Burnable waste [Waste that can be burned] Collection day <input type="text"/> day <input type="text"/> day (Please fill in the blank, when you check the notice board at your nearest collection point) |  <p>Food scraps, Leftovers, Shellfish remains, Tea remains, Egg shells</p> <p>Plastic wrapping, Styrofoam containers</p> <p>Tissue paper, Paper waste, Paper cups</p> <p>Plastics, food peels, Rubber, Cloth, Plants (Small amount restricted to 1 or 2 bags)</p> <p>etc.</p> | Please ensure that disposal bags are properly tightened. Please make sure fluid has been properly removed from kitchen waste. Only use disposal bags designated by Chita City. |
| Non-Burnable waste [Waste that cannot be burned] Collection day Every <input type="text"/> & <input type="text"/> Wednesday (Please fill in the blank, when you check the notice board at your nearest collection point) |  <p>Plant pots, bowls, plates, glasses</p> <p>Pots, kettles, Umbrellas</p> <p>Needles, razors</p> <p>etc.</p> | When disposing of spray cans, please make a hole in the can and empty the contents before disposal. ※If you cannot remove the content, take it to the local recycle station, Seiso Center or Recycle Plaza within the city. As objects like needles and razor blades are not safe to handle, we request that these types of objects are placed in cans and the like. Please ensure waste is disposed in the Chita City designated disposal bags. |

- ※ Burnable waste includes leather, rubber, cloth, trees and plants (only for small amount restricted to 1 or 2 bags).
- ※ Newspapers, magazines, juice/beer cans/bottles, etc. is recyclable and should therefore be put out as Recyclable Waste for collection.
- ※ The waste collection service is only open to household waste. Do not put out business-related waste from companies or restaurants.

<Non-Collectable Waste>

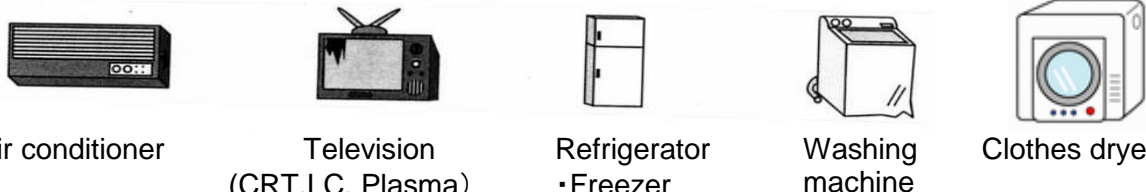

⇒ This type of waste should be taken directly either to the *Chita-shi Seiso Center*, or to the shop it was purchased.

| | |
|--|---|
| <p>Household Waste (Bulky waste, excessive amount of waste, waste difficult to handle)</p> | <p>You will be charged ¥85 per 10kg at each collection.</p> |
| <p>Business waste</p> | <p>You will be charged ¥156 per 10kg at each collection.</p> |
| <p>Opening hours</p> | <p>Monday to Friday 9:00~12:00, 13:00~15:30 Saturday 9:00~11:30 * Closed on Sundays and public holidays. Please check "<i>Koho-Chita (広報ちた)</i>", the city bulletin, for opening hours during the end of year/new year holiday.</p> |

- ※ Waste is weighed by the special scale at *Seiso Center* and the price is determined accordingly.
- ※ You will be charged ¥85 even though the weight of collection is less than 10kg.
- ※ Any odd prices of less than ¥10 for the handling fee should be rounded down to the nearest ten.
- ※ Please prepare to pay the handling fee in cash at the gate when bringing in waste.
- ※ *Seiso Center* cannot accept waste that the city cannot handle. Please check the list above.

<Door-to-door collection service>

- ※ In principle, any waste should be brought directly to *Seiso Center* in your own responsibility.
- ※ However, there is a service for the household that has no way of transporting excessive waste. You need to make a reservation and will be charged handling fees to use the service.
- ※ This service is not available for waste that the city cannot handle (see above).
- ※ Please contact Waste Management Division for more information about the service.
